

CREDIT FOR UPA DUES PROGRAM 2021

In an effort to support low-income “multiple-owner farms,” The Union des producteurs agricoles (UPA) has instituted a Credit for UPA Dues Program. The credit, equivalent to an individual producer’s dues, **is conditionally applied for 2021** provided all eligibility criteria are met. The administration of the program falls under the responsibility of the Director of Dues Services.

The term “multiple-owner farm” includes corporations, partnerships, associations, trusts, or any other farm group as defined in the *Règlement sur les catégories de producteurs, leur représentation et leur cotisation annuelle à L’Union des producteurs agricoles* (the *Règlement*). (RLRQ c. P28)

REPRESENTATION AND VOTING RIGHTS

Dues credit application forms are subject to initial processing upon receipt. If the “multiple-owner farm” is a member of a syndicate affiliated with the UPA, the granting of the credit will involve:

- i. Only one vote;
- ii. Only one individual insured in the event of accidental death;
- iii. Only one membership card.

CREDIT ALLOCATION

If the UPA considers that the “multiple-owner farm” meets all program criteria, a credit equivalent to a 2021 single dues fee (\$391) may be granted. In all cases, the granting of the credit shall be conditional upon the “multiple-owner farm” accepting all conditions of the program.

The UPA reserves the right to refuse any application that is non-compliant, is incomplete, is unsigned, or has missing or incomplete documentation.

- *The credit is not redeemable for cash, is not transferrable, and is not retroactive.*

The documents and information obtained through the dues credit program may be used to review the producer’s file if necessary.
